# OUR COMPANY

## Why Sunny Sky?

Since 2002, companies have relied upon and trusted Sunny Sky Products. Since the company's founding, we have generated an extensive product portfolio that includes frozen dispensed beverages, cold dispensed, hot dispensed and beverage enhancers. Our mission is to have our beverages consumed and enjoyed anytime, anyplace, and in any location. Sunny Sky Products prides itself on our commitment and dedication to creating, manufacturing, and delivering top quality products and customer service for our valued customers. We strive to stay in the forefront of flavor and product innovation to meet all beverage needs around the world.

## Innovation Leaders

Our product development team has a passion for excellence and is renowned for our attention to service and proactive approach to increasing our customers' sales. Our success is measured by our customers' success. Whether we are creating the next hot new beverage for one of our brands or helping you elevate your in-house beverage program, our highly qualified team of beverage scientists monitor consumer and flavor trends to ensure we are developing the most innovative and on-trend products.

## Production Capabilities

Sunny Sky Products specializes in liquid and powder products for the dispensed beverage industry. Our company has three state-of-the-art manufacturing facilities located in the United States. Our Houston, TX facility is over 230,000 square feet and is equipped with multiple bottling lines, packaging systems and powder rooms with additional room to grow. Our manufacturing facility in Tinley Park, IL specializes in powdered products. Our Northeast facility in Douglassville, PA specializes in low-acid aseptic manufacturing and ambient shelf-stable bag-in-box products.
