UPOURIA[®]

TASTE THAT TRANSCENDS[™]

CREAMER

UPOURIA creamers are wholesome, premium, shelf stable, ultra-pasteurized dairy products, able to be stored at room temperature with NO preservatives. For customers who prefer non-dairy, we offer rich and indulgent soy-free French Vanilla and Hazelnut. No more messy powdered creamers, expensive/wasteful plastic creamer cups, or pumps.

FLAVORS

Half & Half

Ultra-pasteurized, wholesome, smooth and creamy real dairy, made with Grade A whole milk and fresh cream (10.5% butterfat).

Light Cream

Ultra-pasteurized, wholesome, smooth and creamy real dairy, made with Grade A whole milk and fresh cream (18% butterfat).
